

Finance Business Partner

Are you ready to influence key business decisions and drive financial performance? Join us as a **Finance Business Partner**, where your role goes beyond numbers – you're a strategic partner shaping our future.

In this role, you'll collaborate with leadership teams, ensuring that forecasting, reporting, and performance management are not just accurate but impactful. You'll translate complex financial data into clear insights, making it accessible and actionable for senior leadership. Your ability to communicate effectively will drive key decisions that keep BITZER Electronics competitive and profitable.

What you will do:

- Partner with leadership to set strategy, forecast performance, and develop key reports.
- Translate complex financial analysis into simple, impactful messages for senior leadership.
- Implement KPIs to track progress and drive decisions.
- Continuously improve and automate decision-making processes.
- Collaborate across functions to ensure company-wide optimization, not just isolated solutions.
- Work as part of a close-knit finance team where contributions are a team sport, driving shared goals and success.

About you:

- A master's degree in finance, accounting, or a related field.
- Proven experience with financial tools such as SAP, Power BI, and Excel.
- Experience in a manufacturing company is preferred, with a solid understanding of production-related financial processes.
- Exceptional communication skills with the ability to simplify complex data for decision-makers.
- A strong team player who thrives in a collaborative environment.
- Analytical mindset and motivated by the opportunity to work in a dynamic, fast-paced environment.

What we offer:

An engaging and rewarding position within a company that values employee well-being and strong leadership:

- Bonus system
- Flexible working hours
- Workplace with an open and informal atmosphere
- Attractive salary package with a comprehensive pension plan, health insurance, and subsidized meals

About BITZER Electronics

At BITZER Electronics, we are always looking for talented employees who can contribute to developing the energy-efficient control solutions of the future. Solutions that make a difference in the green transition and can ensure that we reach the global climate goals by 2030.

For more than five decades, our skilled and dedicated employees have designed, developed, and produced electronic control solutions dedicated to various applications within heating, ventilation, and refrigeration.

We are part of the BITZER Group, which has more than 4000 employees globally, and is one of the world's leading manufacturers of refrigeration compressors.

Despite our global presence, local engagement is an important part of our DNA. We work closely with various educational institutions, commit ourselves to hiring newly graduated and find room and space for employees with different profiles and needs.

Our corporate culture is based on strong values such as professionalism and inclusiveness. We focus on work-life balance and have a flat organizational structure with a short path to the top. We

are incredibly proud that we over the years have been rated as one of Denmark's best workplaces, something we strive to live up to every day. You will be part of an open, inclusive, and innovative work environment that embraces diversity, unity, and the individual employee.
